Attending: Pete, Sean, Dave A., John

Prior meeting minutes approved.

Topics:

- a. Pete mentioned that Carroll Lutheran Village contacted him for independent technical consulting regarding upgrading their amateur radio station. They were provided with ARRL documentation regarding station evaluation.
- b. Raffle announcement went out; so far no emails requesting tickets.
- c. There was discussion about upgrading the repeaters.
- d. The Antenna Seminar vs. 1.0 is complete.
- e. Work has started on the Linux/Pi seminar with a good number of experts volunteering to help.
- f. Discussions were held regarding when to hold these seminars and there are requests for a Technician course, probably to be held on-line starting in late June. A suggestion to hold a General class in fall was also noted.
- g. Field day planning is ongoing with a small response so far.
- h. The hamfest was discussed with conversation revolving around location and day (Saturday or Sunday). An action was accepted to research potential locations.
