<div align="center">

General Meeting Minutes
March 14, 2022

</div>

The meeting opened at 7:30 pm.

Prior General Meeting minutes were approved as posted.

Congratulations were offered to Brent, KC3RUO, for passing his Extra exam.

Testing is this Saturday. This will be the first test session offered by the CCARC team.

The soldering class went well.

A formal motion to add Life Membership to the By Laws was approved.

A formal motion to allocate $5,000 funds to complete the increment of work supported by the $5,000 BGE grant was tabled to next month.

The technical presentation was part 2 of the Raspberry Pi Seminar. It will posted on the Club web pages.

Meeting adjourned at 9:10 pm.
