Discussions:

Any field day reports? None.

New Hams Group: Agreed it is value-added. Will ask for a coordinator at today's general meeting.

Recalled when we had show-and-tell with a few pictures; might be a way to fill tech talk.

Finances:

Paid for web site and deposited some dues.

Technical:

Sykesville still needs to be updated. Going to 114.8 Hz. Still 156.7 Hz.

Education:

Tech course scheduled for Sept 5 & 6, 4 people registered. There is enough interest in the General course that I've scheduled it.

Test has been shifted to Oct 16.

Will purge VE roster of inactive members after next test.

Other:

Soldering class September 5, 9 am.

Actions:

Reserve 113 for Sept 5.

New Business:

Board approved free one year membership for anyone attending a CCARC license course.
